Transaction Disclosure Information

Tax Qualified Transactions:

Transfers: This Certificate of Deposit, brokerage account, mutual fund, money market, and/or annuity contract is held in the IRA type marked above and is to be transferred to the same type of IRA.

Direct Rollover: This amount represents all or part of my eligible rollover distribution. I understand there will be no mandatory 20% withholding from this distribution because it is a direct rollover to an eligible retirement plan as defined under applicable tax law.

Required Minimum Distributions:

Important note to existing financial institution: If I must receive a required minimum distribution (RMD) for any reason (I am age 70-1/2 or older, this is a beneficial IRA, etc.), do not transfer or roll over my current year's RMD calculated for this account.

Important note to owner: The existing financial institution has the most accurate information to ensure that you receive the correct RMD from this account. If you do not receive the full amount of your RMD, you may be subject to an IRS penalty of up to 50% of the underpayment. If necessary, instruct your existing financial institution before affecting this transfer to either: (1) pay your RMD to you now, or (2) retain that amount for distribution to you later.
