

Waiver of Premium (WP)

Why a WP Rider?

You want to make sure that your important life insurance coverage will remain in place if you are not able to make premium payments because you have become disabled.

A WP Rider¹ is a provision that pays the premium for the insured during a period of disability. It also waives your rider premiums.

- The waiver of premium for disability remains in effect as long as the insured is disabled.²
- Purchasing a waiver of premium rider can offer the additional benefit that your life insurance policy won't lapse.
- It avoids cancellation of the policy due to nonpayment of premiums.

Available with insurance policies:
