

1891 FINANCIAL LIFE AGENT SUMMIT 2023

# Accelerating Success

LEARN FROM SOME OF THE INDUSTRY'S BEST:

## Joseph M. Walsh

With more than 30 Years of experience as a leader in sales and management, Joseph Walsh knows what it takes to succeed. Joe brings a wealth of real-life experience and practical insight to his coaching speaking and training. Beyond his commitment to make your experience unique, Joe will make sure that you and your team will take away practical tools and knowledge to help you on your path to success.

Coaching, motivational speaking and training are his passions. Joe enjoys seeing the people he works with learn new skills, use them to evolve their business and then enjoy the success that follows. The growth and success of you and your team is his business.

Joe helps you and your team achieve success by using different means and methods. Joe and his company, Champion Coaching & Training offer complimentary workshops and mastermind groups. He also offers sales and management courses, full day workshops, webinars, individual or group coaching and motivational presentations for your team or company.

Growth is not an accident it takes intentional steps for you and your team to realize your potential. Let Joe help you and your team take those steps. Champion Coaching & Training where your success is our business.

Contact Joe so he can help you be a champion in everything you do!
