Single Premium Whole Life

Live for today. Plan for Tomorrow.

What can be easier than making only one payment. Cross life insurance off your to-do list with the knowledge that your family's finances are rendered secure.

Single-Premium Whole Life is the "one and done" policy that offers lifetime protection with the ease of a single premium payment. It's also a great gift for the child in your life.

A single premium payment provides lifetime protection; avoid monthly payments or the worry about the policy accidentally lapsing.

Cash value accumulates over time, offering growth. Borrow against the policy's accumulated cash value if needed.³

Should dividends⁴ be payable they can be paid to you in cash, used to purchase more coverage, or left in the policy for additional growth with guaranteed interest.
