Frequently Asked Questions

1) What happens if my financial institution does not honor a withdrawal?

Premium payments are necessary to keep your certificate in force; therefore, if your financial institution does not honor a withdrawal, you will be required to send us a replacement payment before we will put you back on the EFT plan.

If *two* withdrawals are not honored, you will be ineligible for the EFT plan and will be required to submit monthly payments via check or money order.

2) How can I cancel the EFT or credit card agreement?

Submit your signed and dated request one month prior to the date you want the draw to end.
